

ISPRS 2016 Prague Congress

Thank You for Support

From human history to the future with spatial information

We proudly announce that Prague succeeded in its candidature efforts and therefore will be hosting the XXIIIrd ISPRS Congress in 2016.

Lena Halounová, the chairperson of the Czech Society for Photogrammetry and Remote Sensing (SFDP), was appointed the Congress Director.

Organizers of the Congress Candidature would like to express their gratitude for your support of the Czech bid. The organizers are eager to prepare complete services for the next Congress in order to offer convenient and pleasant event.

Prague is looking forward to your visit!
